You should ensure that you have an adequate level of fitness for the activities undertaken. If you have any concerns about this please discuss it with our instructors.

SWIMMING ABILITY

All participants taking part in water activities at the centre are equipped with a buoyancy aid, therefore an inability to swim will not exclude you from taking part. SAFETY STATEMENT

Safety is paramount in all outdoor and adventurous activities, and we ensure our safety management systems are our top priority. We have robust risk and safety management systems in place, which are evidenced in a number of ways.

STATEMENT OF ASSUMED RISK

Outdoor and adventurous activities often involve learning new skills in unfamiliar environments. Both participants and persons with parental responsibility must accept an element of risk. Activities may result in bumps and scrapes. To minimise risks we have evolved a 'safe system of work' and regularly Risk Assess our programmes and activities. Jewellery, rings, chains, earrings etc must be removed or taped over whilst participating in activities which could result in them being snagged. We also ask that long hair is tied back.
