

WALESBY FOREST

SCOUT & GUIDE CENTRE

The Best in Outdoor Adventure Activities

Walesby Forest Outdoor Adventure Activity Centre

Set in 250 acres of Sherwood Forest with easy access from the A1 or M1. We have our own river and purpose built lake and with over 30 activities to choose from, it is an ideal place for Scout or Guide groups.

More than just an outdoor activity centre.

- 250 acres of forest and camp areas
- Safe and secure with room to explore
- Residential & tented accommodation
- CCTV security & 24 hour staff cover
- Organised Camp Fire events
- Evening activity programme
- An ideal camp for first time leaders
- Flexible programme
- Tented camp & mess marquee
- Shop and licensed bar

- Climbing
- Kayaking
- Quad Bikes
- Archery
- Rifles
- Rafting
- Crate Stack
- Assault Course (New for 2009)
- Giant Catapult (New for 2009) and lots more.....

We have a range of facilities and services from fun-packed traditional camps, our very own Bushcraft 'outdoor survival' camp, tented village and residential accommodation.

You can go it alone or have support from our highly trained and enthusiastic staff.

Brake Road, Walesby, Newark, Nottinghamshire. NG22 9NG

WALESBY FOREST

SCOUT & GUIDE INFORMATION

Welcome to the best in adventure activities for Scouts, Guides & Groups

We have put together this brief information sheet and you will find further information on our website at www.walesbyforest.org.uk.

Our Activity Centre has been developed with the specific aim of providing leading resources to enable Scouts, Guides and other Groups to take part in residential, camping and outdoor adventure activities.

As a major Scout and Guide Centre we always talk to you, the Group Leader, when planning your activity programme; whether it's a day visit weekend camp or a week long jamboree we ensure you get the greatest experience at an affordable cost !

Our team will do all they can to help you organise a brilliant, never to be forgotten experience for your group. We will help you plan your visit and once on site will provide the support and activities you need to ensure your group has an memorable and enjoyable experience

Walesby Forest has been providing adventure activities for young people since 1938. Our experience enables us to tailor programmes to meet the requirements of groups of different ages and abilities.

Many of our activities contain elements that are required for attaining or working towards badges and you will be pleased to know that we can offer group camps without the need for a nights away permit holder to be present.

Among the millions of guests that have visited Walesby Forest are Cubs & Scouts & Explorers, Rainbows, Brownies & Guides, Cadets, Sea Scouts and members of Boys' & Girls' Brigades as well as schools. Many of these groups have benefited from our activity courses and facilities and regularly return.

Should you wish to know more or make a reservation please contact us.

As a leading Scout and Guide Centre providing outdoor education and adventure activities for young people we understand that you need to use a provider who can ensure quality, value and service as well as a full range of exciting opportunities for young people to develop and grow.

Learning in Action

Walesby Forest places a strong emphasis on outdoor education and learning beyond the classroom. We endeavour to engage participants in developing skills and abilities and as you would expect we have a strong emphasis on environmental and discovery programmes. We aim to offer a great deal more than just an outdoor activities centre with all-round experiential learning opportunities in our forest setting. The centre has warm, secure dormitory style accommodation, over 70 group pitches, healthy nutritious food, exciting adventure activities and dedicated, qualified, experienced and friendly staff.
